

Suggest zoning as a comfort solution

Don't Duplicate:

- ✓ The air conditioning unit
- ✓ The furnace
- ✓ Gas lines
- ✓ Power hookups
- ✓ Disconnects
- ✓ Conduit lines
- ✓ Slabs or Filters
- ✓ Supply and return ducts
- ✓ Maintenance and service costs

DIGITRACT saves you time, eliminates duplication and takes you out of the price arena.

Consumers want comfort!

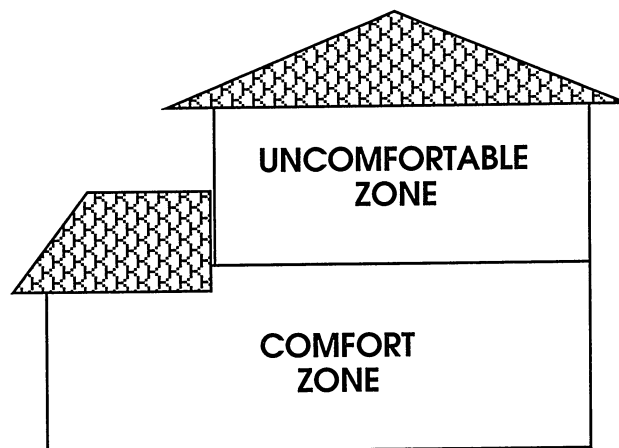

Consumers need **DIGITRACT** 
Comfort Control System

Call California Economizer at 1-800-228-2966 for more information

Finally... an economical temperature control solution for 2 story residences, ranch style and town homes.

- Achieve the same level of comfort with one unit instead of two at a drastically reduced price.
- Give your customer more control at a lower cost.
- Easy to install and operate.
