NOTES

- *All 265 V units include factory installed overcurrent time-delay fuse protection.
- Permanent connection of 265V models is required to maintain UL listing (use conduit kit TAX99CJ and subbase TAX99SB or field supplied conduit).
- All models are shipped with front panel. If required, a wall sleeve and outdoor louver must be ordered separately.
- This price list supersedes all previous price lists.
- All prices and specifications are subject to change without notice.
- All prices F.O. B. San Antonio, Texas.
